About Northwood's Web Designs

Northwood's Web Designs has provided web solution services to customers since 2000. What started out as basic web design services has become a full service web firm. Our focus is to assist companies and associations with their website needs with a personal touch and attention it deserves.

Some of our full website services have expanded to include; Web Design, Web Development, Hosting, Domain Name Registration, Website Management , Search Engine Optimization Strategy, Social Media Integration and Content Writing.

Referral /Affiliate Program

A majority of our custom website design business comes from referrals. We want to continue down that road as our main source of obtaining new clients and is where our referral program comes in.

Referrals will earn a set commission based on the collected revenue during sign-up of services.

<u>Sales</u>	<u>Commission</u>
< \$1500	\$50
\$1500 - \$3000	\$100
\$3000 - \$6000	\$200
> \$6000	\$300

Payments for Referrals are made available within (30) days after initial payment is received from referred client for services provided or commencement of project.

As a Referral Partner you identify companies that you believe will benefit from Northwood's Web Designs services. You make an introduction in person, by phone or e-mail and Northwood's Web Designs takes it from there. We will work with your customers and prospects, determine if there is a fit and make the sale.

We understand the huge responsibility we have to deliver the very best service to them, because your reputation is important. Our goal is to impress them in every way possible, so they give you great feedback, and refer others to us as well.
